NOW THEREFORE, in consideration of the mutual promises and other consideration recited in this agreement, the Parties agree to the Terms and Conditions of this Contract.

ARTICLE I: PURPOSE, TERM AND CONDITIONS PRECEDENT

Section 1.1 Purpose

This Contract outlines the roles, powers, responsibilities, and performance expectations governing NON PROFIT NAME establishment and operation of SCHOOL NAME, a public school. The NON PROFIT NAME and the SCHOOL NAME must comply with all of the terms and provisions of this Charter School Contract (“Contract”) and all applicable rules, regulations and laws.

Section 1.2 Term of Contract

This Contract is effective [FIRST DAY OF SCHOOL] and will remain in full force and effect through [FIVE-YEARS AFTER FIRST DAY OF SCHOOL], unless sooner revoked or terminated as provided herein.

ARTICLE II: DEFINITIONS

For the purposes of this Contract, and in addition to the terms defined throughout this Contract, each of the following words or expressions, whenever capitalized, shall have the meaning set forth in this section:

“Applicant” means, in addition to the definition set forth in the Charter Schools Act, the qualified non-profit corporation that submitted the Renewal Application that was approved by the Commission and is subject to this Contract.

“Applicable Law” means all local, state, and federal laws, ordinances, rules and regulations applicable to the operation of a charter school in the State of Washington, as they currently exist or are amended throughout the duration of the Contract. When a provision of this Contract requires the School to comply with all federal, state, and local laws, ordinances, rules, or regulations, or some combination thereof, without specific reference or citation, the language encompasses those laws that are applicable to charter schools. If there is a disagreement about what laws are applicable or the extent to which a given law is applicable, the parties shall engage in good faith discussions in an effort to determine applicability and the associated scope. However, the Commission shall be the ultimate authority regarding what laws apply to the charter schools it has authorized and the extent to which those laws apply.

“Articles and Bylaws” means the School’s articles of incorporation and bylaws as defined in Chapter 24.03 RCW.

“Asset” means land, infrastructure, improvements to land, buildings, leasehold improvements, vehicles, furnishings, equipment, collections, and all other tangible and intangible assets that are used in school operations, including Small and Attractive Assets.

This includes but is not limited to provision of school or program design and implementation, development of pedagogical approaches, curricula, instructional materials, assessments and professional development programs, and management services. School may only contract for management operations with a non-profit ESP. When knowledge triggers or impacts a legal responsibility or obligation of the School, then failure to act in accordance with those legal responsibilities or obligations may be considered a material and/or substantial violation and/or breach of this Contract.

“Master Calendar” means the compliance calendar annually issued by the Commission.

“Material” refers to a matter that relates to any component of the educational program that the School contracted to provide (including, but not limited to, Attachment 3) and/or a matter that is central to the educational program, organization structure, or financial viability of the School. What is material is determined solely by the Commission. A change to any matter that is material under this contract can only occur as provided in this contract. ARTICLE IV: GOVERNANCE

Section 4.1 Governance

The School shall be governed by its Board in a manner that is consistent with the terms of this Contract so long as such provisions are compliant with state, federal, and local law. The Board shall have final authority and responsibility for the academic, financial, and organizational performance of the School, the fulfillment of the Contract, and approval of the School's budgets.

The Board shall be responsible for policy and operational decisions of the School, and, consistent with the terms of this Contract, shall be the employer of school employees. Nothing herein shall prevent the Board from delegating decision-making authority for policy and operational decisions to officers, employees and agents of the School. However, such delegation will not relieve the Board of its obligations under the law or this Contract, should the School fail to satisfy those obligations.

The Board shall govern the School in a manner that ensures that it will satisfy its legal obligations, including, but not limited to: compliance with all Applicable Laws, the Contract, [Washington State Auditor's Office Accountability Audit](#), Office of Superintendent of Public Instruction [Washington Integrated System of Monitoring](#) and [Consolidated Program Review](#), fidelity to Educational Program Terms and Design Elements (as described in Attachment 3) and the policies that are attached to this Contract and/or described in any attachments to this Contract. This includes the exercise of continuing oversight over the School's operations.

Section 4.2 Governance Documents

The School and Board shall maintain legal status and operate in accordance with the terms of the attached Governance Documents, Attachment 1: Governance Documents.

Section 4.3 Non-Profit Status

The School shall be operated by a stand-alone public benefit non-profit corporation as defined under Washington at all times throughout the term of this Contract.

Section 4.4 Organizational Structure and Plan

The School and Board shall implement and follow the organizational plan as defined above, and as described in Attachment 1: Governance Documents.

Section 4.5 Composition

The roster of the Board and each member's disclosure form are attached to this Contract as Attachment 2: Board Roster and Disclosures (initially or as amended, the "Board Roster and Disclosures").

Section 4.6 Change in Status or Governance Documents

The Board shall not alter its legal status, restructure or reorganize without first obtaining written authorization from the Commission. Any other material change in the Bylaws requires written authorization from the Commission.

The Board shall notify the Commission of any minor, non-material, modification of the School's Bylaws within five (5) business days of approval by the Board

The Board shall notify the Commission of any changes to the Board Roster and Disclosures within five (5) business days of their taking effect and provide an amended Board Roster and Disclosures. If, at any time, the Board fails to operate in accordance with the terms of its Bylaws it shall immediately notify the Commission of that failure.

Section 4.7 Affiliation

Notwithstanding any provision to the contrary in the Contract, or the Articles and Bylaws, in no event shall the Board, at any time, be composed of voting members of whom a majority are directors, officers, employees, agents or otherwise affiliated with any single entity (with the exception of the School itself or of another charter school), regardless of whether said entity is affiliated or otherwise partnered with the School. For the purposes of this paragraph, "single entity" shall mean any individual entity, as well as any and all related entities to such entity such as parents, subsidiaries, affiliates and partners. The Commission may, at its sole discretion, waive this restriction upon a written request from the School.

As used in this provision of the contract, an individual is affiliated with a single entity if the individual is associated with, a member of, or has otherwise publicly linked himself/herself with the entity.

Section 4.8 Conflicts of Interest

The Board adopted Conflicts of Interest Policy is attached to this agreement as Attachment 4: Conflict of Interest Policy and shall at all times comply with its provisions. Any amendment to Attachment 4: Conflict of Interest Policy must be adopted by the Board and approved in writing by the Commission, which shall not be unreasonably withheld. Any approved changes may be made without amendment to this agreement.

Section 4.9 Open Meetings

Starting from January in the calendar year in which the School intends to open, the Board shall maintain Board-adopted policies, meeting agendas and minutes, shall make such documents available for public inspection in accordance with the requirements in chapter 42.56 RCW, and shall otherwise conduct open meetings consistent with chapter 42.30 RCW, the Open Public Meetings Act. If a School takes additional planning year(s), this requirement shall apply starting January in the calendar year in which the School opens.

Section 4.10 Public Disclosure Filing

Board members must file personal financial affairs statements with the public disclosure commission between January 1st and April 15th and/or within two weeks of becoming a member of the board. Board members must comply with the Board's Conflicts of Interest Policy and ethical obligations, and Section 5.5 Ethics of this Contract, to determine whether the financial disclosures reveal a conflict of interest or ethical violation.

ARTICLE V: GENERAL OPERATIONAL REQUIREMENTS

Section 5.1 General Compliance

The School and the Board shall operate at all times in accordance with all Applicable Law, the Contract, Commission policies, and Commission issued guidance, as the same may be amended from time to time. Failure to follow Commission issued guidance creates a presumption that the Charter School Board is out of compliance with its legal obligations and can provide a basis for corrective action.

Section 5.2 Public School Status

The School is a public school, and local education agency, subject to all local, state, and federal health, safety, parents' rights, civil rights, homeless assistance, public records laws, student assessment, assessment administration, data collection, reporting, remediation requirements and nondiscrimination laws applicable to school districts and to the same extent as school districts, as the same may be amended from time to time.

The School affirmatively consents to the Commission obtaining information and documents directly from any entity or individual who may possess information or documents relevant to the operation of the school and will sign any releases or waivers required by such individuals or entities. Failure to provide this access by the deadlines imposed by the Commission is a material and substantial breach of the Contract.

If the School requires any employee to adhere to a non-disclosure agreement (including, but not limited to, written and/or verbal, agreements, language, statements and/or requirements), such non-disclosure agreement must not require or suggest in any way that the employee is prevented from or discouraged from providing information to the Commission, whether on their own initiative or in response to an inquiry from the Commission. Similarly, any non-disclosure requirement should not impede or impair an employee's ability to exercise their legal rights as an employee, or the employee's reporting of and/or participation in investigations and/or legal actions relating to the school.

Section 5.5 Ethics

The identified School representatives will adhere to the following ethical standards:

- a. No Board member, School administrator, or other School employee/representative authorized to enter contracts on behalf of the School, may be beneficially interested, directly or indirectly, in a contract, sale, lease, purchase, or grant that may be made by, through, or under the supervision of the officer or employee, in whole or in part, or accept, directly or indirectly, any compensation, gratuity, or reward from any other person beneficially interested in the contract, sale, lease, purchase, or grant.

- b. No Board member or School administrator may use his or her position to secure special privileges or exemptions for himself, herself, or others.
- c. No Board member or School administrator may give or receive or agree to receive any compensation, gift, reward, or gratuity from a source except the School, for a matter connected with or related to their services as a Board member or School administrator unless otherwise provided for by law.
- d. No Board member or School administrator may accept employment or engage in business or professional activity that the officer might reasonably expect would require or induce him or her by reason of his or her official position to disclose confidential information acquired by reason of his or her official position.
- e. No Board member or School administrator may disclose confidential information gained by reason of the officer's position, nor may the officer otherwise use such information for his or her personal gain or benefit.
- f. Terms in this provision will be defined in accordance with the definitions set out in RCW 42.52.010. The Advisory Opinions of the Executive Ethics Board shall provide non-binding guidance for the parties' interpretation of this provision.

Section 5.6 Public Records

The School shall comply with the provisions of the Public Records Act, chapter 42.56 RCW and is responsible for ensuring that the School, its Board, its employees, contractors, staff, and volunteers comply with the act and any associated Board policies. This provision survives the term of the Contract as long as the School has the public records generated during its operation of a charter public school in its possession. The provision shall remain in effect until the complete and successful transfer of the records to the appropriate public successor entities.

Section 5.7 Record Keeping

The School will comply with all Applicable Law, and Commission record keeping requirements including those pertaining to students, governance, and finance. **At a minimum, student records must include records concerning attendance, grades, meal status, special education, bilingual information, student programs, state assessments, emergency contact, student health information, and certificate of immunization or exemption. These records shall be maintained in accordance with governing document retention periods set out by the Secretary of State.** This provision survives the term of the Contract as long as the School has the public records generated during its operation of a charter public school in its possession. The provision shall remain in effect until the complete and successful transfer of the records to the appropriate public successor entities.

Section 5.8 Non-Discrimination

The School shall not discriminate against any student, employee or any other person on the basis of race, ethnicity, national origin, gender, disability or any other ground that would be unlawful if done by any other public school. It shall take all steps necessary to ensure that discrimination does not occur, as required by state and federal civil rights and anti-discrimination laws.

Section 5.9 Inventories

The School shall maintain a complete and current inventory of all school Assets that cost more than \$5,000 (including sales tax and ancillary costs) and Small and Attractive Assets that cost \$300 or more (including sales tax and ancillary costs). The School shall update the inventory annually and shall take reasonable precautions to safeguard assets acquired with public funds.

If the Contract is revoked, terminated, non-renewed or surrendered, or the School otherwise ceases to operate, Assets shall be deemed to be public assets if at least 25 percent of the funds used to purchase the asset were public funds. Public funds include, but are not limited to, funds received by the School under chapter 28A.710 RCW, as well as any state or federal grant funds. Any assets acquired wholly with private funds shall be disposed of consistent with Washington nonprofit law, provided that the School must maintain records demonstrating the percentage of public funds used to acquire assets. If the School's records fail to establish clearly whether an asset was acquired with the use of public funds, the assets shall be deemed to be public assets. Public assets will be disposed of in accordance with RCW 43.19.1919.

Section 5.10 Administrative Records

The School will maintain all administrative records, including student academic records, required by law and Commission policies and procedures.

Section 5.11 Student Welfare and Safety

The School shall comply with all Applicable Law concerning health and safety, including, but not limited to, state laws regarding the reporting of child abuse and neglect, accident prevention, school safety plans, emergency drills, notification of criminal conduct to law enforcement as well as disaster response, and any applicable state and local codes, regulations, or laws governing the occupancy and operation of school facilities.

Instructional staff must also adhere to the code of professional conduct, ethical standards governing educator conduct, and associated laws and regulations. If the Board or School administrator(s) have reason to believe that an employee with a certificate or permit authorized under chapter 28A.410 RCW or chapter 28A.405 RCW, has engaged in unprofessional conduct (Chapter 181-87 WAC) or lacks good moral character (Chapter 181-86 WAC) a complaint must be submitted to the Education Service District within which the school operates stating the basis for the belief and requesting submission of the complaint to OSPI. A copy of the School's complaint must simultaneously be sent to the Commission and OSPI's Office of Professional Practices. Certificated and licensed staff shall also be held accountable in accordance with the provisions of Title 28A RCW as well as any applicable state or federal laws.

- a. The terms of the transaction do not violate the Schools' Code of Ethics and Conflict of Interest Policy, the fiduciary obligations applicable to non-profit boards and Section 5.5 of this Contract;
- b. The terms of such transaction (considering all the facts and circumstances) are no less favorable to the School than those that could be obtained at the time from a person that is not such an affiliate, member or employee or an individual related thereto;
- c. The involved individual recuses him or herself from all Board discussions, and does not vote on or decide any matters related to such transaction;

The School's performance in relation to the indicators, measures, metrics and targets set forth in chapter 108-30 WAC, the requirements contained in chapter 28A.710 RCW, and the School specific performance measures set out in this Contract shall provide one basis upon which the Commission will base its decisions to renew, revoke, terminate or take other action on the Contract.
- e. The specific terms, form, and requirements of the Performance Framework may be modified or amended to the extent required to align with changes to applicable state or federal accountability requirements, as set forth in law. In the event that any such modifications or amendments occur, the Commission will use best efforts to apply expectations for school performance in a manner consistent with those set forth in the Performance Framework as initially established in the Contract.
- f. The Commission reserves the right to amend the Charter School Performance Framework set out in chapter 108-30 WAC in accordance with the legal requirements that govern amendment of agency rules. The School will be required to comply with any amendments of the Charter School Performance Framework.

Section 14.2 Performance Audits and Evaluation

Annually, the school shall be subject to an annual review by the Commission or its designee.

Section 14.2.1 Annual Performance Review

The School shall be subject to a review of its academic, organizational, and financial performance at least annually and is required to comply with obligations as indicated in Attachment 9: Identification of Documentation Required for Annual Performance Report.

The School agrees to make all documentation, records, staff, employees, or contractors promptly available to the Commission upon request.

Section 14.2.2 Data and Reports

The School shall promptly provide to the Commission any information, data, documentation, evidence and reports necessary for the Commission to meet its oversight and reporting obligations as outlined in chapter 28A.710 RCW. When the request is for on-site inspection of records, prompt is defined as immediate access. If the request is for reproduction of records, then the Commission will include a timeframe in which the records must be provided; adherence to this timeframe will be considered prompt.

The School shall also provide required documentation, data, information and reports identified in Attachment 9: Identification of Documentation Required for Annual Performance Report by the deadlines identified in the Master Calendar.

The School shall submit all data, worksheets, reports, and other information required by OSPI in accordance with the deadlines imposed by OSPI.

Failure to provide reports, data, documentation, or evidence by the date due is a material violation of the Contract.

Section 14. “Charter Management Organization and/or Existing Operator” Oversight

Once a Charter Management Organization and/or Existing Operator is operating more than one school, the Commission may require the Charter Management Organization and/or Existing Operator to address identified concerns or deficiencies in all of its Schools without conducting an investigation or inquiry at each School. The revocation of one school’s charter shall create a presumption that all other contracts with the Commission shall be revoked. The Charter Management Organization and/or Existing Operator bears the burden of rebutting the presumption.

ARTICLE XV: COMMISSION'S RIGHTS AND RESPONSIBILITIES

Section 15.1 Oversight and Enforcement

The Commission will monitor the performance and legal compliance of the School. It will oversee the School's performance under this Contract and hold the School accountable to performance of its obligations as required by federal and state laws and regulations, the Performance Framework, as well as the terms of this Contract. This may include, but is not limited to, taking corrective action, development of corrective action plans, imposing sanctions, renewal, revocation, or termination of this Contract.

Section 15.2 Right to Review

The Commission is a state educational agency with oversight and regulatory authority over the schools that it authorizes as provided by the provisions of chapter 28A.710 RCW. Upon request, the Commission, or its designee, shall have the right to review all records created, established or maintained by the School in accordance with the provisions of this Contract, Commission policies and regulations, or federal and state law and regulations. This right shall be in addition to the Commission's right to require the School to submit data and other information to aid in the Commission's oversight and monitoring of the School as provided under this Contract and governing law. When the request is for on-site inspection of records, the Commission shall be granted immediate access. If the request is for reproduction of records, then the Commission will include a timeframe in which the records must be provided; the School must adhere to this timeframe.

This information, regardless of the form in which it is disclosed, will be used by the Commission, and its authorized representatives, to satisfy its obligations to audit, evaluate, and conduct compliance and enforcement activities relative to the School.

Section 15.3 Inquiries and Investigations

The Commission may conduct or require oversight activities including, but not limited to, inquiries and investigations consistent with chapter 28A.710 RCW, regulations, and the terms of this Contract. The Commission may gather information or evidence from any individual or entity with information or evidence that may be relevant to the inquiry or investigation.

Section 15.4 Notification of Perceived Problems

The Commission will notify the School of perceived problems about unsatisfactory performance or legal compliance within reasonable timeframes considering the scope and severity of the concern. The School will be given reasonable opportunity to respond to and remedy the problem, unless immediate revocation is warranted.

Section 15.5 Other Legal Obligations

Nothing in this Contract will be construed to alter or interfere with the Commission's performance of any obligations imposed under federal or state law.

Section 15.6 Oversight Fee

The Commission shall be paid an authorizer oversight fee in accordance with RCW 28A.710.110 and associated rules adopted by the State Board of Education (SBE).

ARTICLE XVI: BREACH OF CONTRACT, TERMINATION, AND DISSOLUTION

Section 16.1 Breach by the School

Violation of any provision of this contract may, in the discretion of the Commission, be deemed material and be grounds for corrective action up to and including revocation or nonrenewal of this Contract. In making this determination, the Commission will consider the underlying facts and circumstances including, but not limited to, the severity of the violation as well as the frequency of violations and adhere to the applicable procedures contained in chapter 28A.710 RCW, and its rules and procedures.

Section 16.2 Termination by the Commission

This Contract may be terminated, after written notice to the School, and the charter revoked by the Commission in accordance with the provisions of chapter 28A.710 RCW and associated rules and policies. In order to minimize the disruption to students, the termination protocol developed pursuant to RCW 28A.710.210 will be followed.

The Commission may terminate the Contract for any of the following reasons:

- a. Any of the grounds provided for under chapter 28A.710 RCW, as it exists now or may be amended;
- b. A material and substantial violation of any of the terms, conditions, standards, or procedures set forth in the Contract;
- c. Failure to meet generally accepted standards of fiscal management and/or school's lack of financial viability;
- d. Failure to provide the Commission with access to information and records;
- e. Substantial violation of any provision of Applicable Law;
- f. Failure to meet the goals, objectives, content standards, performance framework, applicable federal requirements or other terms identified in the Contract;
- g. Bankruptcy, insolvency, or substantial delinquency in payments, of the School;
- h. It is discovered that the School submitted inaccurate, incomplete, or misleading information in its Application or in response to a Commission's request for information or documentation; or
- i. The School's performance falls in the bottom quartile of schools on the State Board of Education's Washington School Improvement Framework.

This Contract may also be terminated if the Commission determines that there are insufficient funds available for the operation of the School. Insufficient funds shall include, but not be limited to, reduction in, or elimination of, state allocation of funds. It shall also include depletion of grants or other funding sources to a degree that the Commission determines the School is no longer financially viable. Such termination will be effective on the date identified in the notice, which will be 30 days, or sooner, if the Commission determines that a shorter period is warranted.

Section 16.3 Other Remedies

The Commission may impose other appropriate remedies for breach including, but not limited to, imposing sanctions or corrective action to address apparent deficiencies or noncompliance with legal requirements. These may include a requirement that the School develop and execute a corrective action plan within a specified timeframe. Failure to develop, execute, and/or complete the corrective action plan within the

timeframe specified by the Commission will constitute a material and substantial violation of the Contract. This provision shall be implemented in accordance with the chapter 28A.710 RCW and the associated rules and guidance issued by the Commission.

Section 16.4 Termination by the School

Should the School choose to terminate this Contract before the end of the Contract term, it must provide the Commission with notice of the decision immediately after it is made, but no later than ninety days before the closure of the school year. Notice shall be made in writing to the Commission. The School must comply with the Commission's termination protocol.

Section 16.5 Invalid Provisions

If any provision of this Contract or the legal authority for entering into the Contract is invalidated by the decision of any court or competent jurisdiction, the Commission shall determine whether any of the Contract provisions can be given effect in light of the decision and notify the Board of the extent to which the Contract can remain in effect without the invalid provision. If the Commission determines that the decision implicates the legal authority for entering into the Contract, or materially and substantially alters the Contract provisions, the Contract shall terminate on the date that the decision becomes final.

If the legal authority for entering into this Contract is invalidated, then this Contract shall immediately terminate when the Court's order becomes final.

Section 16.6 Termination for Withdrawal of Authority

In the event that the Commission's authority to perform any of its duties is limited in any way, such that it cannot perform its duties or obligations under law and/or this Contract, after the commencement of this Contract and prior to normal completion, the Commission may terminate this Contract, in whole or in part, by seven (7) calendar days (or other appropriate time period) written notice to the School. No penalty shall accrue to the Commission in the event this section shall be exercised.

Section 16.7 Termination for Non-Allocation of Funds

If funds are not allocated to continue this Contract in any future period, or it appears that the legislature may not enact a budget before the end of a fiscal year, the Commission may terminate or suspend this Contract by seven (7) calendar days (or other appropriate time period) written notice to the Board. No penalty shall accrue to the Commission in the event this section shall be exercised.

Section 16.8 Termination for Conflict of Interest

Commission may terminate this Contract by written notice to the School if it is determined, after due notice and examination, that any party to this Contract has violated the ethics or conflicts of interest provisions of this Contract, or any other laws regarding ethics in public acquisitions and procurement and performance of contracts.

Section 16.9 Dissolution

Upon termination of this Contract for any reason by the School, upon expiration of the Contract, or if the School should cease operations or otherwise dissolve, the Commission may supervise the winding up of the business and other affairs of the School; provided, however, that in doing so the Commission will not be

responsible for and will not assume any liability incurred by the School under this Contract. The Board and School personnel shall cooperate fully with the winding up of the affairs of the School. The School's obligations for following a termination protocol and winding up of the affairs of the school shall survive the term of this contract.

Section 16.10 Disposition of Assets upon Termination or Dissolution

All assets, including tangible, intangible, and real property in use by the School but originally owned by the state or assets purchased using at least 25 percent of public funds are the property of the state and shall be returned to the state upon termination or dissolution, in accordance with Commission policy and governing law, including but not limited to RCW 43.19.1919. School owned assets, including tangible, intangible, and real property, remaining after paying the School's debts and obligations and not requiring return or transfer to donors or grantors, or other disposition in accordance with state law, will be disposed of in accordance with governing state and federal law, including, but not limited to RCW 28A.710.210, and the rules adopted thereto. This provision shall survive the term of this contract.

Attachment 4: Conflict of Interest Policy

Attachment 5: Education Service Provider (ESP) Contract Guidelines

1. The maximum term of an ESP agreement must not exceed the term of the Contract. After the second year that the ESP agreement has been in effect, the school must have the option of terminating the contract without cause or a financial penalty.
2. ESP agreements must be negotiated at 'arms-length.' The Contract school's board and ESP must have independent legal counsel to represent their interests in reaching a mutually acceptable management agreement.
3. No provision of the ESP agreement shall interfere with the Contract charter school board's duty to exercise its statutory, contractual and fiduciary responsibilities governing the operation of the Contract school. No provision of the ESP agreement shall prohibit the Contract school board from acting as an independent, self-governing public body, or allow decisions to be made other than in compliance with the Washington Sunshine Law.
4. An ESP agreement shall not restrict the Contract charter school board from waiving its governmental immunity or require a Contract charter school board to assert, waive or not waive its governmental immunity.
5. No provision of an ESP agreement shall alter the Contract charter school board's treasurer's legal obligation to direct that the deposit of all funds received by the Contract charter school be placed in the Contract charter school's account.
6. ESP agreements must contain at least one of the following methods for paying fees or expenses: 1) the Contract charter school board may pay or reimburse the ESP for approved fees or expenses upon properly presented documentation and approval by the Contract board; or 2) the Contract board may advance funds to the ESP for the fees or expenses associated with the Contract school's operation provided that documentation for the fees and expenses are provided for Contract charter school board ratification.
7. ESP agreements shall provide that the financial, educational and student records pertaining to the Contract school are Contract school property and that such records are subject to the provisions of the Washington Open Records Act. All Contract school records shall be physically or electronically available, upon request, at the Contract school's physical facilities. Except as permitted under the Contract and applicable law, no ESP agreement shall restrict the Commission's access to the Contract school's records.
8. ESP agreements must contain a provision that all finance and other records of the ESP related to the Contract school will be made available to the Contract school's independent auditor.
9. The ESP agreement must not permit the ESP to select and retain the independent auditor for the Contract school.
10. If an ESP purchases equipment, materials and supplies on behalf of or as the agent of the Contract school, the ESP agreement shall provide that such equipment, materials and supplies shall be and remain the property of the Contract school.
11. ESP agreements shall contain a provision that if the ESP procures equipment, materials and supplies at the request of or on behalf of the Contract school, the ESP shall not include any added fees or charges with the cost of equipment, materials and supplies purchased from third parties.

12. ESP agreements must contain a provision that clearly allocates the respective proprietary rights of the Contract charter school board and the ESP to curriculum or educational materials. At a minimum, ESP agreements shall provide that the Contract school owns all proprietary rights to curriculum or educational materials that (i) are both directly developed and paid for by the Contract school; or (ii) were developed by the ESP at the direction of the Contract school governing board with Contract school funds dedicated for the specific purpose of developing such curriculum or materials. ESP agreements may also include a provision that restricts the Contract school's proprietary rights over curriculum or educational materials that are developed by the ESP from funds from the Contract school or that are not otherwise dedicated for the specific purpose of developing Contract school curriculum or educational materials. All ESP agreements shall recognize that the ESP's educational materials and teaching techniques used by the Contract school are subject to state disclosure laws and the Open Records Act.

13. ESP agreements involving employees must be clear about which persons or positions are employees of the ESP, and which persons or positions are employees of the Contract school. If the ESP leases employees to the Contract school, the ESP agreement must provide that the leasing company accepts full liability for benefits, salaries, worker's compensation, unemployment compensation and liability insurance for its employees leased to the Contract school or working on Contract school operations. If the Contract school is staffed through an employee leasing agreement, legal confirmation must be provided to the Contract charter school board that the employment structure qualifies as employee leasing.

14. ESP agreements must contain insurance and indemnification provisions outlining the coverage the ESP will obtain. The ESP's insurance is separate from and in addition to the insurance for the Contract charter school board that is required according to the Contract. Insurance coverage must take into account whether or not staff at the school are employees of the ESP or the school.

15. Marketing and development costs paid by or charged to the Contract school shall be limited to those costs specific to the Contract school program, and shall not include any costs for the marketing and development of the ESP.

16. If the Contract school intends to enter into a lease, execute promissory notes or other negotiable instruments, or enter into a lease-purchase agreement or other financing relationships with the ESP, then such agreements must be separately documented and not be a part of or incorporated into the ESP agreement. Such agreements must be consistent with the school's authority to terminate the ESP agreement and continue operation of the school.
